

## Apprenticeships Electrical and Mechanical

NovaSkill in partnership with Port Waratah Coal Services Limited ("PWCS") is seeking applications from highly motivated people interested in commencing training as Mechanical and Electrical Apprentices. This is a great opportunity to get paid to work and learn in a supportive environment.

PWCS will act as a host employer to provide workplace training and skills development. Come to work in a safety conscious workplace with experienced tradespersons you can learn from. Commencement will be during January 2012.

To take advantage of this opportunity, you must meet and address the following criteria in your application. You will have:

- Successfully completed your School Certificate or higher with a high standard in English and Mathematics.
- Be an Australian citizen or have permanent residency status.
- The energy and motivation to undertake four (4) years of study and training.
- Excellent interpersonal skills.
- Strong commitment to safety.
- Proficiency in the Microsoft suite of products.

Applicants will be required to undertake basic skills assessments in theory and practical and undertake a medical examination as part of the selection process. Successful applicants will be required to complete a course of study at the Hunter Institute of Technology and will rotate between PWCS' Terminals and other sites to learn trade, maintenance, plant and equipment skills and techniques.

Applicants must include a cover letter and resume addressing the above selection criteria and include the following:

- Current personal contact details.
- Relevant school results for the last two years.
- Details of previous work experience.
- Details of extra –curricular activities and interests
- Your preferred trade position.
- Details of at least 2 personal references.

This is an exciting opportunity to build your career by training with the world's largest coal handling facility. Applications can be sent to:
