

WOULD \$4,000 WORTH OF GOVERNMENT INCENTIVES ASSIST YOUR BUSINESS?

Employers may be eligible to receive incentive payments if they offer employment-based training opportunities to enable their staff to gain and build on their skills.

An opportunity for new staff; those employed in your business for less than three months full time, or twelve months part time or casual, to gain a nationally recognised vocational training qualification whilst working. This means they can apply their newly acquired skills and knowledge in your business.

Benefits for your business

- ✓ Develop a new and enthusiastic staff member who can immediately apply their skills in the workplace
- ✓ Encourages staff retention by offering development opportunities
- ✓ Improved customer service due to newly trained and skilled staff member
- ✓ Receive up to \$4000 in Australian Government incentives to train existing staff *Eligibility conditions apply

Other important facts

- ✓ Qualifications need to be at certificate II level or above to attract Australian Government incentives.
- ✓ Traineeships are suitable for all employees no matter what their age
- ✓ Training delivered will be negotiated with each workplace. Modules are designed so that they can be completed during the 'not so busy' moments in the day, or during times that you may like to put aside for this purpose. There is no need to release your employee for any off site training.
- ✓ Our administration fee is a compulsory non-refundable fee that the NSW government require to be paid upon enrolment.

What's the next step?

- ✓ Simply contact your local NovaSkill branch to get the ball rolling. We will ensure that you are aware of your entitlements to incentives before enrolments are done.
- ✓ We will arrange for an Australian Apprenticeships Centre representative to officially assess and determine eligibility and entitlements before proceeding any further.
