

# Continuing Professional Development

For licence and Certificate holders under the property Stock and Business Agents Act

Multiple licence and certificate holders will only need to complete 12 points of CPD activity a year. 4 hours of accredited training = 12 CDP points.

What would you like to see your office focus on:

- Trust accounting principles and audit requirements
- Risk management
- Strata and community managers
- Stock and station agency practice
- Legislation and compliance
- Ethics and professional responsibility
- Sale of business
- Commercial and industrial property practice
- Communication
- Business practices
- Sale practices
- Marketing and quality control
- Occupational health and safety
- Property management
- Property transaction legal requirements

Please contact Andrew Richardson at Novaskill Coffs Harbour to design a customised accredited course for your business.
